

HOW TO MEASURE TO GARMENT DIMENSIONS

River's End and Storm Creek measurements refer to garment dimensions, not body size.

Take a shirt that fits you well and measure the following areas:

Neck: Use a piece of string to measure the fullest part of the collar.

Chest/Bust: Measure 1" below the armhole.

Sleeve Length: Measure from center back at the base of the collar to the shoulder, and then from the shoulder seam to the end of the cuff.

Body Length: Measure from the base of the collar to the bottom hem.
