A brief bio of John-Michael Keyes. For over a decade Mr. Keyes has represented the "I Love U Guys" Foundation to districts, departments, agencies, and organizations regarding schools' safety. Prior to that, his career has spanned graphic design, communications, writing, software, and database development. The death of his daughter, Emily, at the hands of a gunman at Platte Canyon High School compelled Mr. Keyes to bring his professional expertise to the arena of safety. Today, Mr. Keyes is an internationally sought keynote speaker not just in the arena of schools' safety but often presents to law enforcement-only audiences.
